

Dimension⁵ unveils new scholarships for young entrepreneurs and innovators

Melbourne, Australia – Thursday 9 June, 2016

Are you an emerging social entrepreneur that wants to change the world? Dimension⁵ is offering five lucky social entrepreneurs the opportunity to become Dimension⁵ members including a free desk, high speed internet, printing facilities, access to our mentoring program, invitations to every Dimension⁵ event and networking opportunities for 12 months (valued at \$10,000 per scholarship).

Dimension⁵ is a new, creative co-working space that promotes ‘positive human collisions’, sparks innovation and entrepreneurship across technology, start-ups, business and social enterprises. This space will maximize and accelerate the opportunities available through the exponential growth of new technologies across sectors for individuals and smaller teams or organisations.

Dimension⁵ is a joint initiative of Creative Universe and Dimension Data. Dimension⁵ is inspired to collaborate and support people and businesses that are outstanding...the innovative, disruptive game-changers, leaders and emerging talent across diverse industries. We aim to spark innovation and entrepreneurship through having vibrant community members, inspirational events and mentoring opportunities.

This is a space in which to go above and beyond, where anything is possible.
